Usage Design:

For holding spring on n2 hydromechanical sensor assembly, p/n 2652037

Attachment To Item Supported Method:

Holds item by fitting inside of 0.150 in. Diameter surface

Material:

Steel, corrosion resisting

Material:

Stainless steel

Fsc Application Data:

Engine, aircraft, fuel system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T08100
