Material Thickness:

0.188 inches

Distance Between Mounting Hole Centers:

2.875 inches

Cushion:

Not included

Mounting Pad:

Not included

Distance Between Base And Inside Of Arch:

0.250 inches

Special Features:

Two holes used for attaching screws; holes 0.344 in. Are chamfered 100 degrees to 0.625

Material:

Steel

Material:

Steel

Style Designator:

Curved arch

Supplementary Features:

T.O.35e8-2-2-4

Fsc Application Data:

Stanchion install p/n 54e22125

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T372-a
