Casehardening Indicator:

Not casehardened

Width:

3.375 inches

Overall Height:

1.188 inches

Stock Diameter:

0.148 inches

Material Hardness Rating:

Between 42.0 rockwell c and 46.0 rockwell c

Material:

Steel, aisi c1065 or steel, sae 1065

Material:

Steel comp 1065 or steel comp 1065

Material Specification:

Aisi c1065 assn standard 1st material response and sae 1065 assn standard 2nd material response

Surface Treatment:

Phosphate

Style Designator:

Pin

Surface Treatment:

Phosphate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-a
