**Hole Diameter:**

Between 0.201 inches and 0.206 inches

**Width:**

0.500 inches

**Overall Height:**

1.500 inches

**Material Thickness:**

0.062 inches

**Length:**

2.250 inches

**Mounting Method:**

Unthreaded hole

**Distance From Loop Center To End:**

0.750 inches

**Loop Height:**

0.340 inches

**Material:**

Steel

**Material Specification:**

Qq-s-700, comp 1074 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
