Overall Length:

2.375 inches

Overall Width:

0.688 inches

Material Thickness:

Between 0.090 inches and 0.096 inches

Mounting Hole Diameter:

Between 0.088 inches and 0.098 inches

Mounting Hole Type:

Countersunk

Material:

Steel comp 1020

Material Specification:

66 federal standard single material response

Surface Treatment:

Cadmium

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
