Casehardening Indicator:

Not casehardened

Width:

0.078 inches

Overall Height:

0.307 inches

Stock Diameter:

0.026 inches

Material Hardness Rating:

Between 40.0 rockwell c and 46.0 rockwell c

Material:

Steel, sae 1075

Material:

Steel comp 1075

Material Specification:

Sae 1075 assn standard single material response

Style Designator:

Pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-a
