Overall Length:

6.063 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

5.438 inches

Mounting Facility Quantity:

3

Handle Clearance:

1.500 inches

Material:

Magnesium alloy az80a

Material Specification:

Qq-m-40, comd f federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
