**Cross Sectional Shape:**

Flat

**Body Thickness:**

0.311 inches

**Special Features:**

Irregular shaped

**Material:**

Stainless steel

**Material Specification:**

Qq-s-833, fs1020 federal specification single material response

**Fsc Application Data:**

Fire control equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531c0
