Width:

0.250 inches

Mounting Method:

Unthreaded hole

Section Length:

Between 16.970 inches and 17.030 inches

Side For Which Designed:

Left hand

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
