**Mounting Method:**

Unthreaded hole

**Section Length:**

17.000 inches

**Side For Which Designed:**

Right hand

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-200/11, t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
