**Overall Height:**

0.580 inches

**Overall Width:**

0.900 inches

**Design Type:**

Straight

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11, alloy 6061, t6 federal specification single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625, type 2, class 2 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536n0

**Mil-std (military Standard):**

Mil-a-8625 spec.
