Overall Height:

0.580 inches

Overall Width:

0.900 inches

Design Type:

Straight

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0

Mil-std (military Standard):

Mil-a-8625 spec.
