Casehardening Indicator:

Not casehardened

Width:

1.563 inches

Stock Diameter:

0.023 inches

Material Hardness Rating:

Between 36.0 rockwell c and 42.0 rockwell c

Material:

Steel, sae 1065

Material:

Steel comp 1065

Material Specification:

Sae 1065 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a
