Overall Height:

0.1250 inches

First Step Diameter:

3.0630 inches

Bore Diameter:

2.6880 inches

Design Type:

Solid

Special Features:

Not casehardened

Material:

Brass

Material:

Copper alloy

Fsc Application Data:

Emergency valve relay assembly, low bed trailer brake system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
