Width:

1.125 inches

Thickness:

0.064 inches

End Style:

Split loop with threaded bushing

Length:

24.313 inches

Thread Size:

0.250-28

Bend Radius:

0.187 inches

Basic Shape Style:

U bend

Material:

Aluminum alloy, qq-a-250/5

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T372-j
