Inside Length:

3.625 inches

Distance Between Ends:

3.625 inches

Mounting Plate Style:

Round

Handle Clearance:

1.500 inches

Mounting Method:

Mounting plate

Special Features:

Furnished w/2 hex nuts and 2 internal tooth lock washers mtg feet thd, 0.375-32 unef, 0.625 in. Lg

Material:

Aluminum alloy 2011

Material Specification:

Qq-a-225/3, t3 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Oval open

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
