Casehardening Indicator:

Not casehardened

Width:

1.313 inches

Overall Height:

2.3537 inches

Stock Diameter:

0.1350 inches

Material Hardness Rating:

Between 42.0 rockwell c and 50.0 rockwell c

Material:

Steel, jan-s-1160, comp 2-canceled or steel, jan-s-1160, comp 3-canceled

Material:

Steel comp 1060 or steel comp 1065

Material Specification:

Jan-s-1160, comp 2-canceled military specification 1st material response and jan-s-1160, comp 3-canceled military specification 2nd material response

Style Designator:

Pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a

Mil-std (military Standard):

spec.
