Width:

1.200 inches

Mounting Method:

Unthreaded hole

Section Length:

59.000 inches

Side For Which Designed:

Right hand

Material:

Aluminum alloy 2014

Material Specification:

Qq-a-200/2, t6 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
