**Width:**

1.200 inches

**Mounting Method:**

Unthreaded hole

**Section Length:**

59.000 inches

**Side For Which Designed:**

Left hand

**Material:**

Aluminum alloy 2014

**Material Specification:**

Qq-a-200/2, t6 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03100
