Hole Diameter:

Between 0.068 inches and 0.076 inches

Width:

0.156 inches

Material Thickness:

0.016 inches

Mounting Method:

Unthreaded hole

Material:

Copper alloy 172 or copper alloy 173

Material Specification:

Qq-c-530 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
