Hazardous Locations/environmental Protection:

Any acceptable

Overall Height:

3.380 inches

Mounting Device Quantity:

4

Sealing Method:

Compound

Mounting Method:

Flange

Opening Inside Diameter:

0.780 inches

Style Designator:

Thru-hole, expandable

Fsc Application Data:

Reeling machine, detecting set, magnetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02000
