Overall Length:

2.250 inches

Overall Height:

1.000 inches

Overall Width:

2.750 inches

Distance Between Mounting Facility Centers:

1.250 inches

Special Features:

W/2 holes 0.688 in. Counterbore dia

Material:

Rubber synthetic

Material Specification:

Mil-std-417, type r, class rs, grade rs615bcf military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53510

Mil-std (military Standard):

Mil-std-417 spec.
