Overall Length:
5.750 inches
Center To Center Distance Between Mounting Facilities Parallel To Length:
5.000 inches
Mounting Facility Quantity:
2
Handle Clearance:
1.500 inches
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 3, class 2 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A250a0
Mil-std (military Standard):
Mil-a-8625 spec.
