Diameter:

Between 0.5625 inches and 0.5635 inches

Thickness:

Between 0.095 inches and 0.105 inches

Machined Surface Finish:

Lapped

Criticality Code Justification:

Abmz

Material:

Stainless steel

Material Specification:

Ams 5630 per hs178, 73030 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
