Overall Length:

1.780 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

1.400 inches

Mounting Facility Quantity:

2

Handle Clearance:

1.310 inches

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h32 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
