Hole Diameter:

Between 0.106 inches and 0.114 inches

Width:

1.990 inches

Material Thickness:

Between 0.0063 inches and 0.0077 inches

Mounting Method:

Unthreaded hole

Material:

Steel comp 301

Material Specification:

Ams 5519 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
