**Material:**

Magnesium alloy az91c body

**Material Specification:**

Qq-m-56, t6 federal specification single material response

**Surface Treatment:**

Dichromate

**Surface Treatment Specification:**

Mil-m-3171, type 3 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A250a0

**Mil-std (military Standard):**

Mil-m-3171 spec.
