Material:

Magnesium alloy az91c body

Material Specification:

Qq-m-56, t6 federal specification single material response

Surface Treatment:

Dichromate

Surface Treatment Specification:

Mil-m-3171, type 3 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0

Mil-std (military Standard):

Mil-m-3171 spec.
