#### Material:

Magnesium alloy az91c body

## **Material Specification:**

Qq-m-56, t6 federal specification single material response

## Surface Treatment:

Dichromate

## Surface Treatment Specification:

Mil-m-3171, type 3 military specification single treatment response

## Shelf Life:

N/a

# Unit Of Measure:

---

# Demilitarization:

No

Fiig:

## A250a0

# Mil-std (military Standard):

Mil-m-3171 spec.
