Overall Length:

7.125 inches

Shaft Length:

3.250 inches

Square Shaft Width:

0.312 inches

Handle Height:

1.656 inches

Integral Shaft Style:

Square

Handle Clearance:

0.625 inches

Features Provided:

Escutcheon plate fixed

Material:

Steel shaft

Style Designator:

U

Reference Number Differentiating Characteristics:

As differentiated by removal of lock clamp from handle and escutcheon plate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
