Diameter:

0.091 inches

Thickness:

0.060 inches

Machined Surface Finish:

Ground

Material:

Steel

Material Specification:

Ams 5688, comp 30302 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
