Overall Length:

1.500 inches

Overall Height:

0.440 inches

Overall Width:

1.050 inches

Material Thickness:

0.015 inches

Material:

Steel, sae 1050

Material:

Steel comp 1050

Material Specification:

Sae 1050 assn standard single material response

Surface Treatment:

Cadmium and zinc

Surface Treatment:

Cadmium and zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a
