Hole Diameter:

0.278 inches

Slot Width:

0.250 inches

Width:

0.750 inches

Length:

0.688 inches

Thickness:

0.025 inches

End Style:

Split loop

Length:

5.000 inches

Basic Shape Style:

Flat

Loop Radius:

0.125 inches

Material:

Steel, mil-s-5059, 1/2 hard

Material:

Steel comp 301 or steel comp 302 or steel comp 304 or steel comp 316

Material Specification:

Mil-s-5059, 1/2 hard military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T372-j

Mil-std (military Standard):

Mil-s-5059 spec.
