**Diameter:**

21.000 millimeters

**Thickness:**

Between 9.500 millimeters and 10.000 millimeters

**Special Features:**

Material: felt

**Material Specification:**

C-f-206, 16r3 federal specification single material response

**Fsc Application Data:**

1. Valve tappet cushion, fuel injection pump, diesel engine

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539r0
