Overall Height:

0.7180 inches

First Step Diameter:

Between 0.9940 inches and 1.0010 inches

Distance From End To First Step:

0.1360 inches

Special Features:

Not casehardened

Material:

Steel, astm a108, grade 1018

Material:

Steel comp 1018

Material Specification:

Astm a108, grade 1018 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
