Overall Length:

1.420 inches

Overall Width:

0.680 inches

Material Thickness:

0.021 inches

Mounting Hole Diameter:

0.133 inches

Mounting Hole Type:

Countersunk

Material:

Steel comp 1010

Material Specification:

66 federal standard single material response

Surface Treatment:

Cadmium

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
