**Diameter:**

Between 1.373 inches and 1.374 inches

**Thickness:**

Between 1.360 inches and 1.370 inches

**Machined Surface Finish:**

Ground

**Material:**

Steel comp 410

**Material Specification:**

Qq-s-763, cond h federal specification single material response

**Surface Treatment:**

Passivate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539r0
