Overall Length:

1.000 inches

Overall Height:

0.250 inches

Overall Width:

0.500 inches

Mounting Hole Diameter:

Between 0.120 inches and 0.160 inches

Mounting Hole Quantity:

2

Mounting Facility:

Unthreaded hole

Clamping Hole Quantity:

2

Material:

Steel comp 1015 and steel comp 1025

Material Specification:

Qq-s-631 military specification single material response and qq-s-634 military specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0

Mil-std (military Standard):

spec.
