Hole Diameter:

Between 0.063 inches and 0.066 inches

Slot Width:

0.437 inches

Width:

0.625 inches

Material Thickness:

0.010 inches

Length:

0.375 inches

Mounting Method:

Unthreaded hole

Material:

Copper alloy 170 or copper alloy 172

Material Specification:

Qq-c-533 federal specification all material responses

Surface Treatment:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
