Hole Diameter:

Between 0.300 inches and 0.672 inches

Width:

0.380 inches

Overall Height:

0.103 inches

Material Thickness:

0.013 inches

Length:

0.781 inches

Material:

Steel

Surface Treatment:

Cadmium and chromate

Surface Treatment Specification:

Qq-p-416, type 2, class 2 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
