Hole Diameter:

0.250 inches

Rod Connection Bore Diameter:

Between 0.500 inches and 0.508 inches

Rod Connection Bore Depth:

1.010 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A264a0
