Material:

Steel, qq-w-423, comp 302, cond a

Material:

Steel comp 302

Material Specification:

Qq-w-423, comp 302, cond a federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Mil-s-5002 military specification single treatment response

Surface Treatment:

Passivated, mil-s-5002

Fsc Application Data:

Air refueling system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-d

Mil-std (military Standard):

Mil-s-5002 spec.
