**Material:**

Steel, qq-w-423, comp 302, cond a

**Material:**

Steel comp 302

**Material Specification:**

Qq-w-423, comp 302, cond a federal specification single material response

**Surface Treatment:**

Passivate

**Surface Treatment Specification:**

Mil-s-5002 military specification single treatment response

**Surface Treatment:**

Passivated, mil-s-5002

**Fsc Application Data:**

Air refueling system

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T319-d

**Mil-std (military Standard):**

Mil-s-5002 spec.
