Mounting Hole Type:

Plain

Second Leg Length:

1.310 inches

Second Leg Thickness:

0.160 inches

Material:

Aluminum alloy

Material Specification:

Qq-a-327, t0 federal specification single material response

Style Designator:

Double angle

Fsc Application Data:

Pulley, ramp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
