Material Hardness Rating:

Between 35.0 rockwell c and 40.0 rockwell c

Design Type:

Solid

Material:

Steel, corrosion resisting

Material:

Stainless steel

Fsc Application Data:

Control assembly, pressure ratio bleed, 2995004356898 710565

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
