**Usage Design:**

Retains spring

**Attachment To Item Supported Method:**

Flange seat

**Supporting Object/surface Attachment Method:**

Seated in cylinder

**Material:**

Aluminum alloy

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Surface Treatment:**

Anodized

**Fsc Application Data:**

Actuator and valve assembly

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T08100
