Cross Sectional Shape:

Square or rectangular recess

Edge Shape:

Oval, multi holes

End Application:

F-14 aircraft

Special Features:

5.360 in. W; 8.860 in. Lg

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531c0
