Overall Length:

3.000 inches

Overall Width:

2.437 inches

End Application:

2350-01-031-8851

Design Type:

Straight

Special Features:

Between contains 3 holes .406 dia, counterbored to .750 dia, .313 in deep; hardness rating 35.0 rockwell and 40.0 rockwell c

Material:

Steel

Surface Treatment:

Phosphate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
