Hole Diameter:

Between 0.879 inches and 0.880 inches

Metallic Hardness Rating:

58.0 rockwell c and 62.0 rockwell c

Material:

Steel comp e52100

Material Specification:

Ams 6440 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A264a0
