Material Hardness Rating:

65.0 rockwell b

Special Features:

Ov-1 series acft

Material:

Aluminum alloy, qq-a-225/6, alloy 2024

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, alloy 2024 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1 military specification single treatment response

Surface Treatment:

Anodized, mil-a-8625, type 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-e

Mil-std (military Standard):

Mil-a-8625 spec.
